

Make Believers Fun Raiser

We're a team that just loves to enter the Baltimore Kinetic Sculpture Race every year. We were consecutive winners of Best Art Award for 2009's Happily Never After, 2010's Los Baltimuertos and 2011 Ankh-ers Away. Also won many other awards going back to 2002.

We've been robbed! Someone broke into our fearless leader Frank's shop and stole many of our valuable tools. Among those gone were arc welding equipment, band saw, grinders, and cordless drills.

We need to raise \$3,000.00 so we can build this year's craft to participate in the Race on May 5. Any funds raised will go directly to replacing the tools.

***Where? HAMILTON TAVERN, 5517 Harford Road, Baltimore
When? Tues Jan 17, 6-10PM***

What? Eat, drink and be merry. We will provide scrumptious food. Cash bar. Entertainment should be a surprise. There will be a large hat for donating to our cause. Thank you!

A Silent Auction will take place. Cool items like portions of past craft and other awesome stuff will be sold. AVAM passes and docent guided tours also. More fun prizes being generated by our brainstormers will be announced.

RSVP to Caroline Jacoby at caroline.jacoby88@gmail.com
